

# FALL LUMINARIES

## Materials:

- Mason Jars
- Mod Podge
- Fall Colored Tissue Paper
- Brown Construction Paper
- Paint Brush
- Scissors
- Tea Candle

## Activity:

**Step 1:** Instructor will hand out fall colored tissue paper and scissors to each participant. They then will begin to cut small squares of each color (Enough to cover the mason jar)

**Step 2:** Participants will receive a mason jar, a paint brush, and a small bowl of mod podge. The participants will then use the brush to paint on the mod podge one section at a time on the outside of the jar and then paste on the colorful squares they cut.

**Step 3:** Once the entire jar is covered with tissue paper, participants will use the brown construction paper to cut out a “Fall Tree” and paste that onto the jar as well.

**Step 4:** Place the tea light into the jar and turn off the lights to see their creation.
